INDEPENDENT AUDITORS' REPORT

To the Board of Directors *Theodore Roosevelt Conservation Partnership, Inc.* Washington, DC

Opinion

We have audited the accompanying financial statements of **Theodore Roosevelt Conservation Partnership**, **Inc.** (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of *Theodore Roosevelt Conservation Partnership, Inc.* as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Theodore Roosevelt Conservation Partnership**, **Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of **Theodore Roosevelt Conservation Partnership**, **Inc.** for the year ended December 31, 2021 were audited by other auditors whose report dated May 10, 2022 expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Theodore Roosevelt Conservation Partnership, Inc.**'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

THEODORE ROOSEVELT CONSERVATION PARTNERSHIP, INC. Independent Auditors' Report Page 2

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Theodore Roosevelt Conservation Partnership**, **Inc.**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *Theodore Roosevelt Conservation Partnership, Inc.*'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 ORGANIZATION AND NATURE OF ACTIVITIES

Theodore Roosevelt Conservation Partnership, Inc. (TRCP) was incorporated on July 30, 2002 and began business on August 1, 2002. TRCP's primary purpose is to ensure that America's lands, both public and private, will always provide clean water, healthy habitat, bountiful fish and wildlife populations and opportunities to fish, hunt and enjoy the outdoors. TRCP is a non-profit corporation incorporated in Delaware and located in the District of Columbia.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The accompanying policies of TRCP are in accordance with accounting principles generally accepted in the United States of America applied on a basis consistent with that of the preceding years.

Basis of accounting

These financial statements are prepared on the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized when incurred.

Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements. Such estimates and assumptions also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Cash and cash equivalents

For the purposes of the statements of cash flows, TRCP considers all highly liquid instruments, which are to be used for current operations and which have an original maturity of three months or less, to be cash and cash equivalents.

Concentrations of credit risk

Financial instruments that potentially subject TRCP to concentration of credit risk consist primarily of cash and cash equivalents. TRCP maintains its cash and cash equivalents which at times may exceed the federally insured limit, in bank deposit accounts with high quality financial institutions. TRCP has not experienced any losses in such accounts. As of December 31, 2022, funds in excess of FDIC totaled \$1,301,563. As of December 31, 2021, funds in excess of FDIC totaled \$2,302,047. TRCP recognized the need to protect its assets and thus entered into a sweep agreement during 2022. Management does not, however, consider this to be a significant concentration of credit risk.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Promises to give and grants receivable

Promises to give and grants receivable are recorded at estimated net realizable value. Management periodically reviews the status of all promises to give and grants receivable balances for collectability. Each receivable balance is assessed based on management's knowledge of and relationship with the grantor and the age of the receivable balance. As of December 31, 2022, the total discount recorded across promises to give and grants receivable was \$28,794; \$26,062 for grants receivable and \$2,732 for promises to give. In addition, a \$10,000 allowance for doubtful accounts was recorded for one of the promises to give as of December 31, 2022 as an account was determined uncollectible. As of December 31, 2021, the total discount recorded across promises to give and grants receivable was \$3,857; \$501 for grants receivable and \$3,356 for promises to give. There was no allowance for doubtful accounts as of December 31, 2021.

Investments

Investments in marketable securities with readily determinable fair values are valued at their fair values in the statement of financial position. Realized and unrealized gains and losses are included in the change in net assets. Investments consist of money market funds and mutual funds that are publicly traded.

Property and equipment

Acquisitions of property and equipment are stated at cost. Improvements and replacements of property and equipment are capitalized. Maintenance and repairs that do not improve or extend the lives of property and equipment are charged to expense as incurred, but renewals and betterments are capitalized. When assets are sold or retired, their cost and related accumulated depreciation are removed from the accounts and any gain or loss is reported in the statement of activities.

Depreciation is based on estimated useful service lives and is computed on the straight-line method, generally five to seven years. TRCP's policy is to capitalize property and equipment purchased with a cost greater than \$1,000. Leasehold improvements are amortized over the lease term.

<u>Leases</u>

TRCP assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. Leases are included in right-of-use (ROU) assets and lease liabilities in the statements of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, using the risk-free discount rate based on the number of years of the lease term, and ROU assets also include prepaid or accrued rent.

Operating lease expense is recognized on a straight-line basis over the lease term. TRCP does not report ROU assets and leases liabilities for its short-term leases (leases with a term of 12 months or less).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Conditional grant liability

Revenue received in advance of the period in which it is earned is deferred to subsequent periods. Grants are considered conditional when they include a barrier that must be overcome and either a right of return of assets transferred or a right of release of a donor's obligation to transfer assets.

Classification of net assets

TRCP reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

Net assets without donor restrictions – not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of TRCP. These net assets may be used at the discretion of TRCP's management. Net assets without donor restrictions also include board designated funds. Board designated net assets as of December 31, 2022 and 2021 totaled \$1,921,787 and \$1,619,171, respectively. See Note 11.

Net assets with donor restrictions – subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of TRCP or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. See Note 12.

Revenue recognition

Unconditional grants and contributions are recorded as revenue in the year notification is received from the donor. Grants and contributions considered to be nonexchange transactions that include donor-imposed conditions are recognized as revenue when the condition is met. Restricted grants and contributions are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the satisfaction of restrictions. Restricted grants and contributions received in excess of expenses incurred are included with net assets with donor restrictions.

In-kind contributions

Donated materials and services are recorded at fair value when an unconditional commitment is received and are recognized as an in-kind contribution as revenue and expense in the accompanying financial statements. Donated services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among program services, fundraising, and management and general benefited. Such allocations are determined by management on an equitable basis.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional allocation of expenses (Continued)

Expenses are allocated by function based upon the following allocation methods:

Time and effort Shared services Shared services Time and effort Time and effort Shared services Time and effort Time and effort Shared services Shared services Time and effort Time and effort Time and effort

<u>Advertising</u>

TRCP expenses advertising costs as they are incurred. Advertising and promotion expense totaled \$439,917 and \$435,231 for the years ended December 31, 2022 and 2021, respectively.

Income taxes

TRCP is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC).TRCP qualifies for the charitable contribution deduction under Section 170 and has been classified as an organization that is not a private foundation under Section 509(a)(1). There is no material net unrelated business income tax liability for the years ended December 31, 2022 and 2021.

TRCP follows accounting standards for dealing with uncertainty in accounting for income tax provisions. TRCP has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2022 and 2021.

Tax returns are subject to examination by federal and state taxing authorities, generally for three years after filing. The Association's returns for the fiscal years ended 2019 through 2021 are subject to such examination.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent accounting pronouncements

Leases

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), which changes the accounting for leases. While both lessees and lessors are affected by the new guidance, the effects on lessors is largely unchanged. Under the new guidance, there was a material impact on the statement of financial position, in the lessee will be required to recognize the following for all long- term leases: (1) a lease liability, which is the lessee's obligation to make lease payments measured on a discounted basis and (2) a right-of-use (ROU) asset, which represents the lessee's right to use (or control use of) a specified asset for the lease term. TRCP adopted this new standard using the effective method as of January 1, 2022 and elected to use all of the available practical expedients. TRCP recorded a right of use asset in the amount of \$1,089,213 and a corresponding operating lease liability in the amount of \$1,244,014 on January 1, 2022 in connection with the adoption of this standard.

Gifts in kind

The FASB issued ASU 2020-07, "Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets" to increase transparency related to contributed nonfinancial assets (gifts in kind) through enhancements to presentation and disclosures. TRCP has adopted ASU 2020-07 as of January 1, 2022.

NOTE 3 UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give are recorded as receivables and revenue when received. TRCP distinguishes between contributions received for each net asset category in accordance with donor-imposed restrictions. Promises to give are comprised of the following at December 31:

	 2022	2021
Unconditional promises to give expected in: Less than one year Two to five years	\$ 340,000 214,635 554,635	\$ 206,723 400,000 606,723
Less: discount & allowance	 (12,732)	 (3,356)
Total promises to give, net	\$ 541,903	\$ 603,367

Unconditional promises to give are discounted to their present value using risk free rates of return ranging from 0.28% to 3.45% for both December 31, 2022 and 2021.

As of December 31, 2022 and 2021, one donor had a pledge balance outstanding which represented 74% and 99% of total promises to give, respectively.

NOTE 4 GRANTS RECEIVABLE

As of December 31, 2022 and 2021, TRCP has grants receivable due within one year totaling \$253,291 and \$1,033,249, respectively. As of December 31, 2022 and 2021, TRCP has grants receivable due after one year totaling \$280,647 and \$30,000, respectively.

NOTE 5 FAIR VALUE MEASUREMENTS

Fair value, as defined under Generally Accepted Accounting Principles (GAAP), is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy that prioritizes the inputs used in measuring fair value. These tiers include:

- *Level 1* Observable inputs such as quoted prices in active markets.
- *Level 2* Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- *Level 3* Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. TRCP's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2022. The following is a description of the valuation methodologies used for instruments measured at fair value:

Money market funds and cash equivalents – Recorded at cost which approximates fair value. Both observable inputs are used to value these investments.

Mutual funds – Valued using quoted market prices.

All of TRCP's assets accounted for at fair value on a recurring basis fall of within Level 1 of the fair value hierarchy as of December 31, 2022 and 2021.

This space intentionally left blank.

NOTE 6 INVESTMENTS

Marketable securities at December 31, 2022 and 2021 carried at fair value as determined by quoted market prices are as follows:

		2022		2021
Money market funds and cash equivalents Mutual funds	\$ 1,520 1,665,785			1,847 .,372,812
	1,	667,305	1	,374,659

The following schedule summarizes investment income (loss), in the statement of activities at December 31, 2022 and 2021:

	2022	2021
Interest and dividends Realized and unrealized gains (losses)	\$ 74,784 (256,921) (182,137)	\$ 24,666 10,072 34,738
Less: investment fees	(8,745)	(3,731)
	<u>\$ (190,882</u>)	\$ 31,007

NOTE 7 PROPERTY AND EQUIPMENT

Major classes of property and equipment consisted of the following at December 31, 2022 and 2021:

	 2022	 2021
Furniture and fixtures Computer equipment	\$ 93,829 41,504	\$ 98,548 41,504
Website Less: accumulated depreciation & amortization	45,063 (118,392)	40,000 (96,748)
	\$ 62,004	\$ 83,304

Depreciation and amortization expense on property and equipment was \$36,166 and \$30,998 for the years ended December 31, 2022 and 2021, respectively.

NOTE 8 ECONOMIC INJURY DISASTER LOAN

In response to the COVID-19 pandemic, the Small Business Administration (SBA) allowed small businesses and nonprofit organizations to apply for Economic Injury Disaster Loans to provide economic relief to businesses that were experiencing a temporary loss of revenue due to COVID-19. TRCP received a loan of \$150,000 on May 30, 2020 with an annual interest rate of 2.75% that matures in 30 years.

NOTE 8 ECONOMIC INJURY DISASTER LOAN (Continued)

Payments on the loan were originally scheduled to start one year after receipt. During 2021, the SBA extended the deferment period for all disaster loans, including COVID-19 Economic Disaster Loans to 2 years after receipt. During March 2022, the SBA once again extended the deferral period to 30 months. Payments on the loan will start 30 months from the date of the note.

Principal maturities of long-term debt for future years are as follows:

For the Year Ended December 31,

2023	\$ 3,315
2024	3,407
2025	3,502
2026	3,599
2027	3,700
Thereafter	 132,377
	\$ 149,900

Accrued interest included in Economic injury disaster loan – current portion on the statements of financial position as of December 31, 2022 and 2021 amounted to \$10,088 and \$5,966, respectively.

NOTE 9 OPERATING LEASES

On November 1, 2016, TRCP entered into an office lease agreement in the District of Columbia that is scheduled to expire on October 31, 2027. The first 12 months of lease payments are abated. The lease agreement contains an escalation clause whereby rent is increased by 2.5% each year. The agreement includes an option to renew the lease for a term of five additional years, which is not guaranteed and, therefore not considered likely to be exercised.

On February 28, 2020, TRCP entered into an office lease agreement in Denver, Colorado (the Spectrum Office) with an original term of three years. The lease agreement contains an escalation clause whereby rent is increased by 2.1% each year. On December 13, 2022, the original lease agreement was amended to extend the term by one year. This additional year is not subject to the escalation clause and base rent is, therefore, at the same amount as the third year of the initial term. The lease does not include any option to renew or extend.

On December 13, 2021, TRCP entered into an operating lease agreement for office space in Montana (the Missoula Warehouse) with a commencement date of February 1, 2022 for a two year term. The lease requires monthly payments of \$1,150 with no escalations. The lease includes an option to renew the lease for a two-year term at a rate not yet negotiated.

Rent expense was \$244,838 and \$248,696 for the years ended December 31, 2022 and 2021, respectively.

The weighted average remaining lease term is 3.6 years and the weighted average discount rate is 1.33%.

NOTE 9 OPERATING LEASES (Continued)

	D.C.	Spectrum	Missoula	Total
Total lease payments for the				
year ended December 31,				
2023	\$188,559	\$ 56,784	\$ 13,800	\$ 259,143
2024	193,261	9,464	1,150	203,875
2025	198,100	-	-	198,100
2026	203,047	-	-	203,047
2027	172,704			172,704
	955,671	66,248	14,950	1,036,869
Less: present value discount	(31,001)	(279)	(88)	(31,368)
	<u>\$ 924,670</u>	\$ 65,969	<u>\$ 14,862</u>	<u>\$ 1,005,501</u>

Future maturities of lease liabilities at December 31, 2022 are as follows:

NOTE 10 LINE OF CREDIT

TRCP has a \$350,000 revolving line of credit from Truist Bank, which expires on September 20, 2024. The line of credit bears interest at a rate of Prime plus 2.0% per annum and is due on demand. Advances under the line of credit are unsecured. The Board of Directors of TRCP limits the use of the line of credit for operating expenses. There was no outstanding balance as of December 31, 2022 and 2021.

NOTE 11 NET ASSETS WITHOUT DONOR RESTRICTIONS – BOARD DESIGNATED

During fiscal year 2009, TRCP established the Jim Range Conservation Fund, which would be used at the discretion of TRCP's Board of Directors to provide general operating support, particularly in the capacity building areas of communications and development, enhance TRCP's flexibility to seize unexpected opportunities or confront sudden challenges pertaining to TRCP's legislative agenda, and to supplement funding to TRCP's signature conservation programs in four major areas: western public lands, agricultural private lands, responsible energy development and marine fisheries. The amount recognized as Board-designated as of December 31, 2022 and 2021 is \$1,921,787 and \$1,619,171, respectively.

NOTE 12 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions at December 31, 2022 and 2021 are as follows:

NOTE 13 DONATED GOODS AND SERVICES

During the years ended December 31, 2022 and 2021, TRCP received donated goods consisting primarily of Capital Conservation Dinner auction items valued at \$206,903 and \$145,505, respectively. TRCP also received donated legal services valued at \$7,276 during 2021. All in-kind contributions were utilized by TRCP's programs and supporting services. All in-kind contributions have been recorded at their fair market value as of the date of the gift.

The value of the goods and services are recorded in the accompanying statements of functional expenses in advertising and promotion and event promotion for the years ended December 31, 2022 and 2021 as follows:

	Program <u>Services</u>	<u>Fundraising</u>	<u>Total</u>
For the Year Ended December 31, 2022: Monetized In-Kind ;			
Donated Goods - Auction Items	<u>\$ 102,748</u>	\$ 104,155	<u>\$ 206,903</u>
	<u>\$ 102,748</u>	<u>\$ 104,155</u>	<u>\$ 206,903</u>
	Drogram		
	Program <u>Services</u>	<u>Fundraising</u>	<u>Total</u>
For the Year Ended December 31, 2021: Monetized In-Kind:		<u>Fundraising</u>	<u>Total</u>
For the Year Ended December 31, 2021: Monetized In-Kind; Donated Goods - Auction Items Utilized In-Kind;			Total \$ 145,505
Monetized In-Kind; Donated Goods - Auction Items	<u>Services</u>		

NOTE 14 RETIREMENT PLAN

TRCP has a 401(k) plan which covers all employees who meet certain eligibility requirements. TRCP contributes a matching component on an annual basis. Employer contributions and related expenses for the years ended December 31, 2022 and 2021 were \$154,321 and \$104,989, respectively.

NOTE 15 LIQUIDITY AND FUNDS AVAILABLE

The following represents TRCP's financial assets as of December 31, 2022 and 2021, reduced by amounts not available for general expenditure within one year, if any. Financial assets are considered unavailable when illiquid or not convertible to cash within one year, trust assets, assets held for others, endowments and accumulated earnings net of appropriations within one year and board designated endowments. These board designations could be drawn upon if the board approves that action.

NOTE 15 LIQUIDITY AND FUNDS AVAILABLE (Continued)

Financial assets available to meet cash needs for general expenditures within one year are as follows:

	2022		2021	
Financial assets:				
Cash and cash equivalents	\$	3,846,517	\$	3,383,194
Investments		1,667,305		1,374,659
Promises to give - current portion		328,708		206,723
Grants receivable, net - current portion		253,291		1,033,249
Prepaid expenses		151,398		129,697
Other current asset		_		178,706
		6,247,219		6,306,228
Less amounts not available to be used within one year due to:				
Long term pledges and grants		514,635		426,644
Board designated funds		1,921,787		1,619,171
Financial assets available to meet general				
expenditures within one year	\$	3,810,797	\$	4,260,413

TRCP can make additional draws from the line of credit through September 20, 2024; see Note 10 for further detail.

NOTE 16 SUBSEQUENT EVENTS

In preparing these financial statements, TRCP has evaluated subsequent events for potential required disclosure through April 25, 2023, which is the date the financial statements were available to be issued. There were no subsequent events identified requiring disclosure or recognition in the financial statements.
