Step 3

Hello, my name is [insert name].

I am calling to urge you to oppose the sale of public lands in the budget reconciliation process.

As a constituent who values the hunting, fishing, and recreational opportunities of our nation's public land, I have deep concerns with any proposal that would sell off these acres that I rely on.

I am against selling the public's favorite hunting and fishing spots for tax cuts and know that many public lands close to population centers provide critical access to locals.

That is why I am again asking you to oppose any efforts to sell off public land.

Thank you.
